

BRINGING SAFETY IMPROVEMENTS TO RAMONA EXPRESSWAY

Week of April 12, 2026

[para español haga clic aqui](#)

Construction is set to begin this month for the **Mid County Parkway Ramona Expressway Project**.

Eastbound Ramona Expressway, from Rider Street to Warren Road, will be closed nightly, beginning Sunday, April 12 through Thursday, April 16, and Sunday, April 19 through Thursday, April 23 from **10 p.m. to 5 a.m.** for crews to safely install k-rail and conduct striping operations. Access to homes and businesses will be maintained.

To ensure the safety of our crews and other motorists, **a reduced 45 mph speed limit will be strongly enforced throughout the construction zone**. Please reduce your travelling speed, obey temporary construction signage, and plan for extra travel time to your destination.

Please see closure details below. Construction activity and closures are subject to change due to inclement weather and other factors.

UPCOMING WORK & CLOSURES

Date/Time	Activity & Location	Detour
Sunday, April 12 – Thursday, April 16 & Sunday, April 19 – Thursday, April 23 <hr/> Nightly, 10 p.m. – 5 a.m.	Full eastbound closure of Ramona Expressway from Rider Street to Warren Road	Southbound on I-215, eastbound on State Route 74, northbound on N. Sanderson Avenue to Ramona Expressway

PROJECT OVERVIEW

The Riverside County Transportation Commission (RCTC) is making major improvements along an **8.6 mile stretch of Ramona Expressway**, from one mile east of Rider Street to Warren Road. This corridor has experienced a high number of collisions and is identified as a high priority for safety and access improvements. Once complete, the project will create a safer, more reliable roadway for residents, commuters, businesses, and visitors. Project improvements include:

- **One new lane in each direction**
- **A raised center median**
- **A new bridge over the San Jacinto River**
- **Traffic signal upgrades**
- **A new wildlife crossing**

Construction will continue through 2028. While this work is underway, we appreciate your patience as crews make these long-term improvements. Drivers should plan for extra travel time, slow down, and stay alert near work areas. Access to homes and businesses will be maintained as much as possible throughout construction.
