BUILDING A BETTER POTRERO BOULEVARD

WEEK OF AUGUST 24, 2026

[*para español haga clic aqui*](#)

Nighttime Closures Continue

Nighttime single lane closures along eastbound and westbound SR-60 continue for the week of August 24, 2026. Our crews will continue to safely install k-rail, restripe lanes, and perform roadway removal.

Please see closure details below. Construction activities and closures are subject to change due to inclement weather and other factors.

HIGHWAY CLOSURES

Date/Time	Activity and Location	Detour

Monday, August 24 – Wednesday, August 26 Nightly, 10 p.m. - 6 a.m.	Single lane closures along eastbound SR-60 from Jack Rabbit Trail to I-10	No detour required, since other lanes will remain open
Thursday, August 27 – Friday, August 28 Nightly, 11 p.m. - 6 a.m.		
Monday, August 24 – Wednesday, August 26 Nightly, 10 p.m. - 6 a.m.	Single lane closures along westbound SR-60 from I-10 to Jack Rabbit Trail	No detour required, since other lanes will remain open

ABOUT THE PROJECT

The Riverside County Transportation Commission (RCTC) and the City of Beaumont, in partnership with Caltrans, are constructing “Phase II” of the State Route 60/Potrero Boulevard Interchange Project. This phase will deliver major roadway and interchange improvements to improve traffic flow and access to and from SR-60, strengthening connections and regional mobility in Beaumont and across western Riverside County.

Phase II includes the construction of a six-ramp partial cloverleaf interchange, the realignment of Western Knolls Avenue, and the widening of Potrero Boulevard to six lanes.
