SR-60/Potrero Boulevard Interchange Project Construction Advisory

Community Update - Bus Stop Relocation

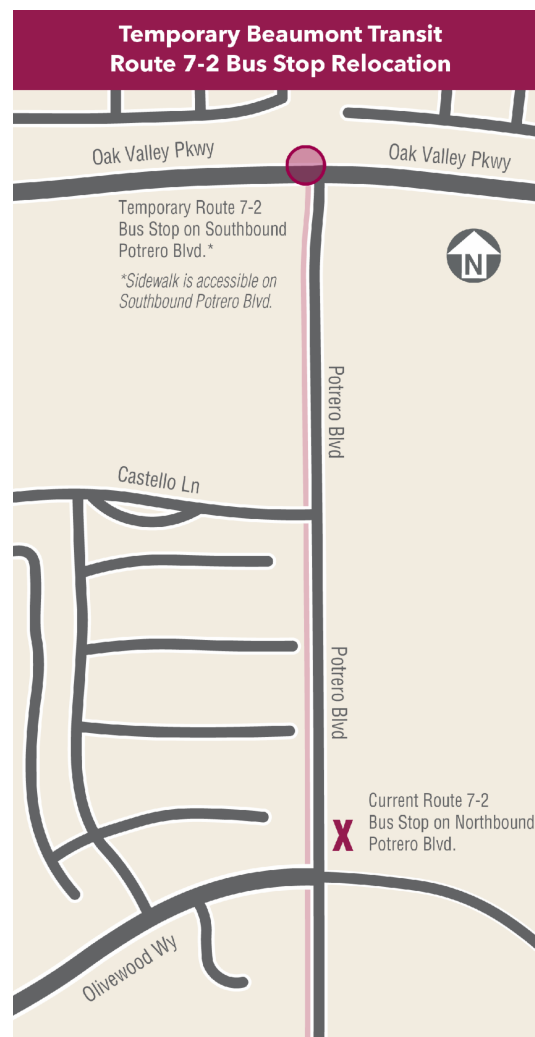

[para español haga clic aqui](#)

Effective Monday, August 17, 2026, the Route 7-2 bus stop located on northbound Potrero Boulevard will be temporarily closed for approximately one year. During this closure, bus service along Potrero Boulevard will be unavailable. Bus service will be redirected to the nearest available stop located at Oak Valley Parkway and Potrero Boulevard. Bus stops along 4th Street will also be temporarily inactive.

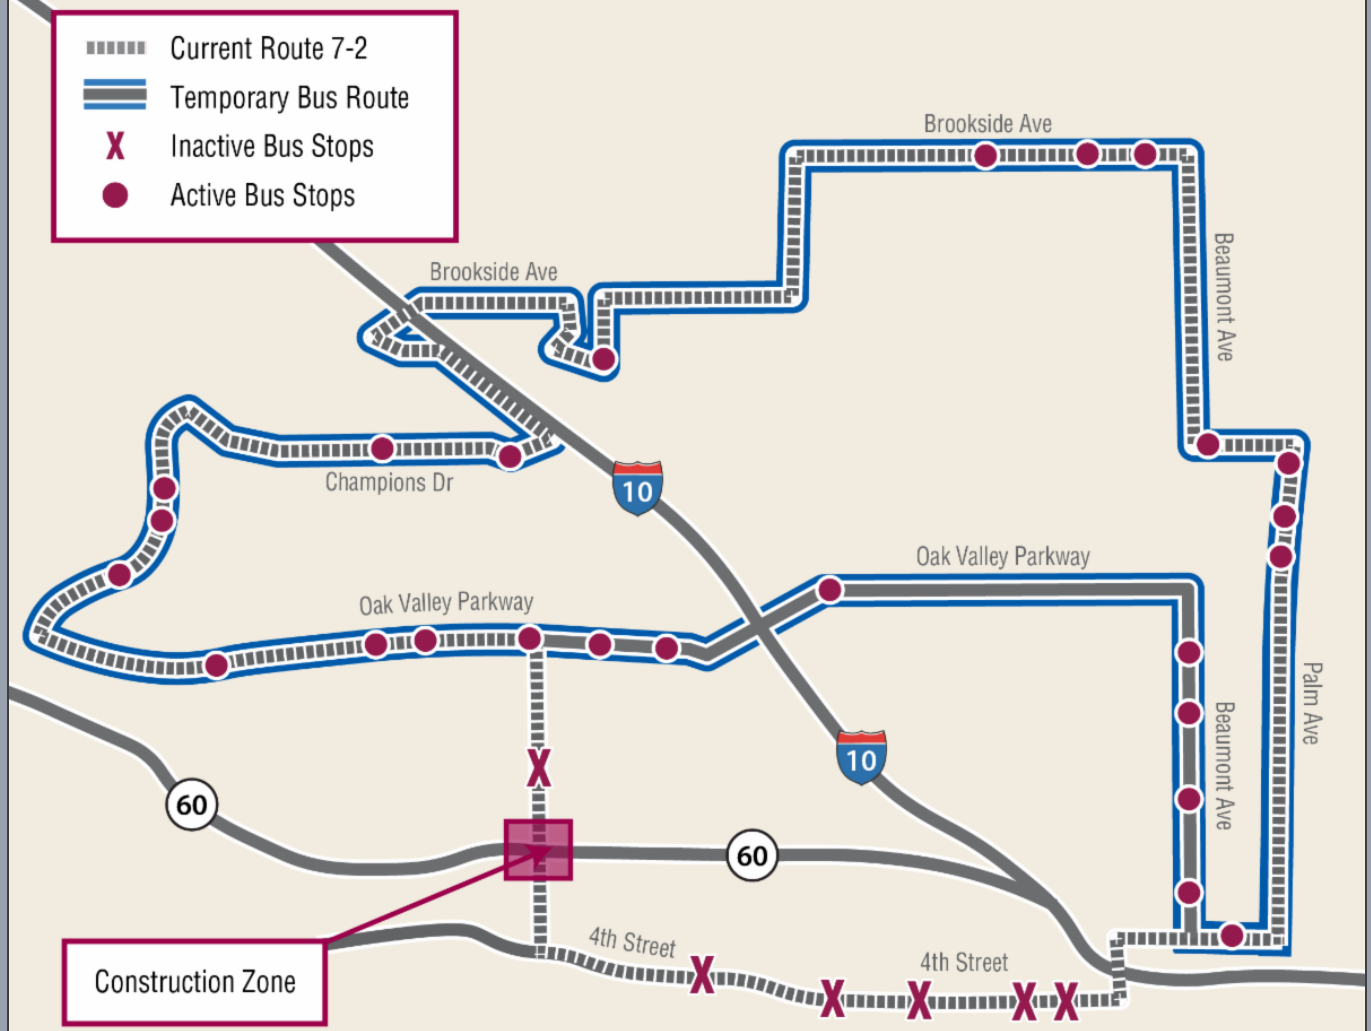

Construction activity may include, but is not limited to, roadway repaving, lane striping, utility relocation, and is expected to take place during weekdays and weeknights. These activities may include temporary noise and limited street or highway lane reductions.

Significant impacts to nearby neighborhoods are not expected. The contractor will continue to monitor this work for potential impacts to ensure all noise and construction ordinances are met.

Construction activity and schedule are subject to change.
